1. We support Model 1 which retains Strathmore, Strathmore Heights within the same Ward.
2. We object to the name Essendon Fields and question how many electors (if any) are in the actual area of Essendon Fields. It seems simply to promote the activities of Messrs Fox and Beck.
3. We support the 9 Ward proposal with single representative Wards. It should be noted that Strathmore has been poorly served over the past decade and to have one representative (hopefully living in the area) to advocate and pursue the interests of our local community. Model 1 retains Strathmore and Strathmore Heights which with a committed and active local representative can only bode well for this area.
