

**Electoral structure review - Northern Grampians Shire Council - Response Submission
Kevin O'Donoghue - Halls Gap - 05 April 2023, 04:08 pm**

I am a member of the Halls Gap Residents and Ratepayers Association and I support their request for the Discounted Option 1 of 7 wards and 7 councillors to be reconsidered.

I do not believe the Preliminary Report's Recommended Models will represent me or Halls Gap adequately.

The secretary of the HGR&RA has made a submission on our behalf and my main reason for this individual submission is to inform you that I will be speaker on behalf of the HGR&RA submission (Below, I have selected YES to speaking at the public hearing but this is NOT additional to speaking for the HGR&RA)
