To whom it may concern,

I am writing around the recent potential boundary changes.

As a long term resident of Strathmore Heights, it has always felt like we were not part of the Strathmore community. In recent years, the entirety of Strathmore, Strathmore North and Strathmore Heights have come together as a strong community as one. Children attend schools, sporting clubs and community based celebrations as 1 community. Splitting our community into 3 seems like a steep step backwards and not in our tight knit communities best interest.

It is because of this that I strong vote for Model 1 - Essendon Fields Ward.

Regards

Strathmore Heights Resident
