Good afternoon [REDACTED]

I had some difficulty registering and completing the online version of the Ward Boundary review - I suspect it may be my home internet access which has been poor this afternoon.

I hope I am able to submit on behalf of Council to you directly.

In short, the City of Boroondara is content with Option 2 but without the additional change between Bellevue and Studley Wards. This second change between the two wards appears in part to undo the initial change between the two wards to shrink Bellevue Ward (and expand Studley Ward). While the change may be based on the Neighbourhood Character Study, that study was published some time ago in 2017.

Please contact me if you have any queries.
