To whom it may concern ,the idea of one ward is great idea as being a business in current ward system puts us in area of kyabram instead of rochester our closest town so no wards now puts on level playing field so now all councillors do not great overridden by large numbers ,it also stops the problems created by vec as seen in past elections where candidates have become victims of vec behaviour so go and bring campaspe shire into 21 century by using first opition regard
