

**Electoral structure review - Mornington Peninsula Shire Council - Response Submission**  
**Laura McIntosh - Rye - 02 November 2023, 01:20 pm**

Good afternoon

I think as many ward names as possible which can be renamed with Aboriginal names should be encouraged, to reflect the local Indigenous history of the Mornington Peninsula. We need to decolonise the language used to describe our geography, and renaming as many ward names as we can, would be a step in the right direction.

Thank you  
Laura McIntosh
