

**Electoral structure review - Horsham Rural City Council - Response Submission  
Christopher Vincent - Haven - 19 July 2023, 04:15 pm**

I support the planned changes, Residents outside of the Horsham Urban sector Don't bother running for council as living out of town they don't have enough voice to win a seat on council. I think the proposed new way would open up more opportunity's for a wider and better range of views across council. I feel the current system is not fair and very one sided.

thank you for the opportunity to comment.
