Dear Panel,

I wish to make a submission concerning the Ward Boundaries of Merri-bek Council. I have lived in this municipality for many years now and have been engaged in community activities. My children attend the local primary school in Pascoe Vale.

I have lived in [REDACTED] Road, Pascoe Vale for many years. It is regularly congested and I struggle to leave my driveway some mornings. I like that Model 3 uses the Railway Line as the boundary between the Moonee Ponds Creek ward and Westbreen ward, which will hopefully assist with this congestion.

We support model 3, including the names proposed and the number of Wards proposed. Thank you for the work you have done for Merri-bek.

Yours sincerely,

Maryam Reshadati
