

**Electoral structure review - Hume City Council - Response Submission
Casey Nunn - Craigieburn - 22 November 2023, 03:32 pm**

Thank you for the opportunity to make a review.

As a former Hume Mayor and lifelong resident, I believe Model 3 is the best model presented.

Model 3 best demonstrates Hume's unique communities of interest.

Broadmeadows is the spiritual heart of Hume with its previous ties to the City of Broadmeadows and Hume's main office located there. Broadmeadows is as a major activity centre as determined by the State Government. Model 3 best captures this community of interest with all Broadmeadows captured in one ward.

Model 3 also best supports the growth that will occur in the north corridor of Hume. Two wards capture established Craigieburn whilst two allow for the substantial growth that will occur in Mickleham and Kalkallo.
