

**Electoral structure review - Hobsons Bay City Council - Response Submission
Eric Braslis - Altona Meadows - 22 October 2023, 07:57 am**

Having reviewed all 3 options, it would appear that Option 3 provides the most relevant 7 wards having regard for each community of interest. More specially, as a resident of Altona Meadows, Option 3 is the only option that encompasses the majority of Altona Meadows as whole wherein Options 1 and 2 do not include a significant part of the community around Central Square through to Seabrook.
