

Ward boundary review - Murrindindi Shire Council - Response Submission
Richard Evans - Taggerty - 11 March 2024, 09:21 am

Response to VEC boundary changes

I would like to object to the extension of the Cathedral Ward in Murrindindi Shire Council to include Toolangi.

Toolangi is on the other side of the Black Range Forest to the Cathedral Ward and it would take the councillor one hour to visit constituents there.

Cathedral Ward covers a large area but could easily take in Acheron or Thornton or both as needed to comply with the voter equality legislation. However, new estates are opening up in Buxton with more planned, so it is likely that the voting population of Cathedral Ward will increase.

Please listen to regional voters who are against the inclusion of Toolangi to Cathedral Ward on practical issues.
