Hello,

Thank you for the opportunity to make a submission to the electoral review.

I support the AIDA submission illustrated in the map below, which divides the Surf Coast Shire Council area into four wards each represented by three councillors. This is an increase of three councillors over the current arrangement. Alternatively, the number of councillors could be reduced to eight with only two councillors representing each ward. One ward, which we propose be called the West Coast Ward (shown in green on the map) would include the coastal communities of Anglesea, Aireys Inlet, Fairhaven, Moggs Creek, Eastern View and Lorne. As you will appreciate, these communities have strong common interests and issues.
