

**Electoral structure review - Moonee Valley City Council - Response Submission  
Judith Marshall - Strathmore - 07 November 2023, 04:36 pm**

I wish to make a submission regarding the proposed changes to the Electoral Wards for Moonee Valley City Council.

I am in favor of proposed Model 1 because this provides great cohesiveness and connectivity between suburbs and communities. Of particular relevance to me is the division of Strathmore - in Model 1 the Essendon Fields Ward encompasses all of Strathmore which is a great benefit to the community.

It also appears that the other wards are drawn more along the lines of existing suburbs within the municipality whereas the boundaries in Model 2 appear more ad hoc and dividing up existing communities

Regards
