

Electoral structure review - Surf Coast Shire Council - Preliminary Submission
Allan Walls - Lorne - 22 February 2023, 12:22 pm

I believe that there should be a ward system in the Surf Coast Shire.

The most equitable distribution should in my opinion is a 9 ward system with each ward having approx. 4000 voters, with one councillor per ward.

A suggested division that I have seen and agree with has been submitted by John Agar in his submission that contains table 1. This can be identified by referring to submission identifier number 1001398
