

**Electoral structure review - Surf Coast Shire Council - Preliminary Submission  
Simone Shaw - Anglesea - 20 February 2023, 01:48 pm**

As a local person within the Surf Coast Shire, I would like to ensure that the current 'Ward Councillor' structure that we currently have, whereby Anglesea and Aireys inlet as individual towns are represented remains. We are different towns with different needs, and we believe that each town should have a representative to reflect our region, regardless of how small each town is. It is a very important voice for each town, and we don't want this swallowed up by bigger towns and communities, so that our voice is not heard.
