

Electoral structure review - Hepburn Shire Council - Preliminary Submission
Janine Granger - Daylesford - 25 February 2023, 02:44 pm

Hi, as a rate payer of Hepburn Shire I believe independent local representation is critical in insuring residents are represented adequately.

I do not support an undivided shire, because I believe it will increase the influence of established political parties.

I support multi ward multi councillors structure. I believe this will lead to more diverse representation and allow for a broader range of candidates.

I support 3 wards with 3 councillors. I understand that this will increase the number of councillors and will involve additional costs to ratepayers but I think the better representation from 2 more councillors would be beneficial.
