

**Electoral structure review - Wodonga City Council - Response Submission
Ken McDonald and Helena McDonald - Wodonga - 24 July 2023, 11:32 pm**

We are making this submission to keep the way our Council is structured as of this moment. It was suggested that there is the right amount of councillors for our ward situations. As we grow these numbers may need to be revisited for the population.

We would also like to rename any of the Wards to become named "Chamerlain".

Thank you

Ken and Helena McDonald
