

**Electoral structure review - Moorabool Shire Council - Response Submission
Concetta McFall - Ballan - 11 April 2023, 08:05 pm**

I support Model 1 as the preferred structure for the Moorabool Shire.

My reasons for model 1 is that an undivided Shire allows greater opportunities for individuals from diverse social and ethnic backgrounds to stand for Council.

Also, as stated in the Preliminary report Moorabool Shire experiences continuing population growth and an undivided Shire removes the need for repeated boundary changes as the population expands.
