Dear Review Panel

Please accept the following submission as part of the ward boundary review for South Gippsland Shire Council. The below signed Councillors suggest that the most efficacious alignment of ward boundaries would be to:

- Move Fish Creek out of split wards into the Coastal Promontory Ward.
- Move Meeniyah into the Tarwin Valley Ward.
- Leave all other boundaries unchanged.

Thank you for your consideration.

Yours sincerely

Cr Clare Williams
Mayor

Cr John Schelling
Tarwin Valley Ward Councillor

Cr Mohya Davies
Coastal Promontory Ward Councillor

Cr Jenni Keerie
Strzeleki Ward Councillor
