I advocate Model 2 (3 Wards with 3 Councillors).

I also believe that the urban requirements of Bacchus Marsh are very different to the needs of the rural communities and feel that we in the west regularly miss out on community, health and infrastructure developments. The preference would therefore be to remove Bacchus March from Moorabool Council (amalgamate Melton which has similar urban requirements) and for Moorabool Shire to yet again become a true rural community.

Gerlinde Koeglreiter
