Re Warrnambool Local Govt. elections

Years ago we had the Wards system,  
Then it changed to an open field,  
and you filled out the voting paper in  
your own way,

With wards you have to vote for 1 candidate  
but you may not think any of them are  
worth a vote, but there are candidates  
in another ward that you would prefer  
but cannot vote for.

It is a backwards step.

Yours Faithfully
