Good afternoon,

I understand this review is a difficult process and thank the panellists.

My preferred model is model 2.

However, I believe naming it Cheetham ( proposed name in model 1) not Saltwater would be more appropriate.

There are several large estates in that ward only one of which is called Saltwater ( as well as the school ), Cheetham being a creek there, the Cheetham wetlands are more all-encompassing features and I think would enable the ward to be better united under one name.

Thank you for considering my submission.

Kind regards,

Susan McIntyre
