Electoral structure review - Surf Coast Shire Council - Preliminary Submission

Kim Cope, [REDACTED] - 17 February 2023, mob [REDACTED]

I wish the Surf Coast Council remain the same type of structured Organisation

Each of the wards need representation.

I live in Anglesea, which is one of the smaller communities of the Shire, please keep at least 2 representatives for Anglesea Our community fears we will be swamped by future councillors from Torquay and the filling of council positions by commercial business people

The election of a Councillor should be based on their qualities as a representative, their platform and the area they represent

I would like to see quality people from the wards represent the whole community of Surf Coast Shire and work in our best interests.

I do not wish those from the larger commercial area of torquay have a conflict of interest and have a populist / commercial response to local issues.

Regards
Kim and Robyn Cope
