

Electoral structure review - Corangamite Shire Council - Response Submission
Trish Wynd - DARLINGTON - 31 March 2023, 07:28 pm

I and my husband live in Darlington in the north of Corangamite Shire. We are involved in CFA, Community Hall and Recreation Reserve and Car Club. We favour option 3 with ward representation for northern small communities. The inclusion of Glenormiston does not make sense - different agricultural areas and community more aligned with Noorat and Terang. I have been part of a previous submission favouring option 3.
