

Electoral structure review - Stonnington City Council - Response Submission
Tony Russell - Malvern East - 20 July 2023, 11:10 am

I have minor problem with a ward name in models 2 and 3. I feel that the name Darling will be confusing if used boarding punt road south yarra, when there is a Darling railway station and many other landmarks in Malvern East many miles away.

to be clear it's not the name just its location.
