

**Electoral structure review - Gannawarra Shire Council - Preliminary Submission
Jane Ogden - KERANG - 09 February 2023, 11:20 am**

Thank you for the opportunity to have input into the Gannawarra Shire Council's Electoral Structure Review.

I'd like to see either no wards or seven wards with one councillor in each ward. We would then continue to have seven councillors in our Shire and divide it into seven wards with approximately the same population in each ward e.g. 1,500 people in each.

My reason for this proposition is that I believe seven councillors already works well across our large shire of 3,735 square kilometres. I also believe that seven wards will encourage our seven councillors to work more positively together for the benefit of all the communities in our wonderful Shire.

Thank you again.
