

Electoral structure review - Wyndham City Council - Response Submission
Patrick Ong - Williams Landing - 03 November 2023, 09:28 am

On model 2, please put the eastern portion of Williams Landing into Waterholes Ward. It doesn't make sense to separate Williams Landing as the suburb is tiny compare to other suburb. Please adjust the boundary between Bemmin and Waterholes Ward along the whole Sayers Road. (see attached). I wish to attend the hearing.
