

Electoral structure review - Moorabool Shire Council - Response Submission
Jane Dennithorne - Ballan - 09 April 2023, 04:02 pm

I support The Preliminary Report recommendation to increase the number of Councillors to 9, and I support Model 1. My reason for increasing the number of Councillors is the increase in population, and for supporting Model 1 is that it is very important that the whole of the shire work together for the long term benefit of the whole shire.
