**Subject:** Electoral structure for North Grampians Shire

Thank you for the opportunity to discuss the proposed rezoning /structure of the wards in the north Grampian shire . Our group Believe that due to distance requirements of travel to Stawell, where the management of the shire is situation any change to current councillor structure would severely reduce the interaction with councillors and senior executive officers . There is also a evidence that due to the population increase over the last 6 years that there is a need for increase representation in the Kara Kara ward . Looking forward to further discussion .
