Hi,

I read with interest the document titled '[Port Phillip City Council electoral structure review - preliminary report](#)'.

My feedback comments in the proposed boundaries as it relates to the current South Canal ward are as follows:

- It is better if the boundary remained at Dickens St as this matches the current boundary for the State seat of Brighton
- It would be better to call the ward Elwood not Ormond as this could cause confusion with the suburb Ormond near McKinnon.

Thanks for the opportunity to comment.
