

**Electoral structure review - Greater Geelong City Council - Response Submission
Alan Bowman - Deans Marsh 3235 - 19 July 2023, 06:10 pm**

Good afternoon

On considering the three current options , I note that options 1 and 2 divide the municipality of Indented Head.

With a small population of around 1400 people it is vital that all of Indented Head is retained within one ward

As a consequence , I would support option 3 or any further option that achieves this objective.
