

**Electoral structure review - Merri-bek City Council - Response Submission
Helen Karabinis - Pascoe Vale South - 02 November 2023, 07:38 pm**

My whole family, including myself, prefer model 1 for obvious reasons:

1. We want names that we can actually pronounce and easy to read
2. Moreland consists of a large migrant population and English is not their primary language, nor do they read or speak English;
3. A ward name other than the suburb they live, would cause confusion and difficulty in pronunciation, especially for the elderly migrants.

Voting for Model 1:

Arthur Karabinis
Anna Karabinis
Demetra Karabinis
